Hello everyone, I'm Lata Alani, a postgraduate Clinical Psychology student at Kingston University London. I am standing for Student Trustee to contribute to the strategic governance and long-term sustainability of Kingston Students' Union.

My approach is guided by three core principles:

**Integrity:** I will uphold responsible oversight of budgets, performance and long-term strategy, ensuring decisions are transparent, ethical and in students' best interests.

**Representation:** I will ensure student perspectives from all campuses and backgrounds are meaningfully reflected in board-level discussions and decisions.

**Engagement:** I will promote open dialogue, active listening, and clear communication between students and the Union.

For principled, strategic and student-focused leadership, vote Lata Alani for Student Trustee.
