

Penrhyn Road Campus Rep

ONURI NETHUNIKA

Hi everyone!

My name is Onuri Nethunika, I'm 21, from Sri Lanka, and I'm currently studying Biomedical Sciences here at Penrhyn Road Campus. Like many of you, I know student life can be a mix of lectures, deadlines, caffeine, and the occasional "Why did I leave this assignment until the last minute?" moment.

That's exactly why I'm running to help make our time at Penrhyn Road not only productive but also more enjoyable, supportive, and connected.

As your campus representative, I want to make sure every student's voice is heard. Whether it's improving communication between students and staff, raising concerns about academic support, or simply making sure student ideas are taken seriously, I will be someone who listens and speaks up for you.

I also believe university life should be more than just studying. I would love to support more
