

# SANA SIDDIQUE

## **Composed Leadership. Clear Purpose.**

My name is Sana Siddique, studying BSc (Hons) Biological Sciences, and I am standing to become one of your three Student Trustees; I believe leadership is a responsibility grounded in integrity and service.

If elected, I will focus on transparent governance, robust financial oversight and long-term sustainability to ensure the Students' Union remains strong, ethical and student-centred. I will approach board meetings prepared and analytical — reviewing reports carefully, asking constructive questions and ensuring decisions align with the Union's charitable objectives and the needs of students.

I bring professionalism, analytical thinking and a genuine commitment to student wellbeing. I am prepared to undertake training, contribute constructively and uphold the highest standards of governance.

Vote for a trustee who is diligent, principled and committed to safeguarding your Students' Union — now and for the future!
