

# SOHAN BHATTACHARJEE

## **Vote Sohan for a United Kingston University**

Hi, I'm Sohan Bhattacharjee, and I'm running for Student Trustee because Kingston should feel alive, not fragmented.

First, I will push to activate underutilised spaces like the former Hannaford's Bar at Kingston Business School. We shouldn't accept empty rooms when students need places to connect. I'll advocate for a formal review of abandoned or underused areas and aim to reopen or repurpose at least 2-3 spaces into social hubs, collaborative study zones, or student-led venues within a year.

Second, I want to build real Kingston spirit. I'll work with KU sports clubs and societies to launch structured inter-campus competitions football, basketball, badminton alongside cross-faculty debates and innovation challenges. My target: engage 500+ students in the first year and create events that become annual traditions.

I'll ask tough questions, push for smarter resource use, and fight for visible results.

Vote for action. Vote for energy. Vote Sohan for a United Kingston Uni
